Suggested Improvement / Room for Development	It is recommended to be led by the teacher for the tour instead of joining a tour group in order to more effectively control the content and timing of the viewing.			It is suggested that after the event concludes, the teacher distributes game sheets for the children to share ways to save water with their families, and then share with their peers after completing it.			It is recommended to leave some time for young children to visit other exhibition halls in the museum after visiting the Boleung Cultural Services' themed exhibition, in order to satisfy their curiosity about other historical and cultural aspects.

Suggested Improvement / Room for Development	Teachers may ask the children to wear jackets at school in advance and bring extra jackets, as the temperature at the visiting site is relatively low.			During the activities, the children showed enthusiasm and were very interested and curious about the giant pandas. It is recommended to continue participating in this activity next year to enhance the children's understanding of this national treasure.			The teacher can let the children take pictures of their favorite flowers with a children's camera and share them after returning to school.
