| Content | In an interactive, inspiring, and developmentally appropriate learning environment, young children develop their interests through free play, promoting their creativity and self-expression. | Through experiential activities, discover, cultivate, and nurture young children's character abilities and growth mindset, helping them understand the growth mindset and ten core positive character strengths. | In order to teach young children to respect life and cultivate their attitude of caring for animals, the school has arranged a visit for the SPCA. | The activities are led by professional fitness coaches who guide young children through a variety of fun and diverse physical games, allowing them to experience the joy of different types of physical activities. | By engaging in experiential learning processes, we ignite children's curiosity and guide them to use their five senses to explore the interactions between food, nature, and environmental protection. This allows children to experience nature and joyfully learn healthy and environmentally friendly eating habits. |

| Content | By introducing young children to fireflies and various aquatic insects, they can learn about a variety of precious aquatic creatures. They can also enter the "Firefly Experience Room" to admire the enchanting glow of fireflies. In addition, there are various experiential activities and games that allow children to learn about the importance of caring for the environment and cherishing natural resources in a fun and enjoyable way! | Young children explore " The PANTastic Footprints," observing the giant panda's living environment and learning about the relationship between the physical characteristics of Sichuan animals and their habitats. | To allow the young children to have more exposure to the natural environment and experience the feeling of summer, as well as to engage them in various group activities, the teacher took the children to Lei Yue Mun Holiday Village to participate in a variety of camp activities, enhancing their physical fitness and social skills. | | |
